Subject: Discontinuation of DC and DX products

To whom it may concern,

ADVANCED Motion Controls is advising you that we intend to discontinue the DC and DX products, which comprises our 200 Series product family. The decision to discontinue these products was necessary due to part obsolescence of several components.

Our records indicate that you have purchased one or more of the products listed. For the exact list of discontinued products please refer to the subsequent page(s). Please forward this information to the proper individuals for formal notification.

This letter serves as the formal written end-of-life notification for the below part numbers, which will allow for appropriate planning and opportunity for last time purchases. ADVANCED Motion Controls will provide ongoing service and support for the installed base per the terms outlined below. All new orders will require a price quote from ADVANCED Motion Controls.

Discontinuation Details:

End-of-Life Announcement: March 31, 2009
Last Time Buy orders*: June 30, 2009
Last Shipment: September 30, 2009
End of Service and Support: September 30, 2014

*It is ADVANCED Motion Controls policy that orders for products on End-of-Life status are non-cancelable and non-returnable.

Our intent is to work with you to meet your existing obligations and help in determining a long-term migration solution. Should you have questions, please do not hesitate to contact your ADVANCED Motion Controls Representative and they can assist you.

We thank you for your attention in this matter and for applying ADVANCED Motion Controls products in your application.

Regards,

Shane A. Beilke
