Subject: Discontinuation of 100 Series products

To whom it may concern,

ADVANCED Motion Controls is advising you that we intend to discontinue the DR, DQ and ZD products, which comprises our 100 Series product family. The decision to discontinue these products was necessary due to part obsolescence of several components.

Our records indicate that you have purchased one or more of the products listed. For the exact list of discontinued products please refer to the subsequent page. Please forward this information to the proper individuals for formal notification.

This letter serves as the formal written end-of-life notification for the below part numbers, which will allow for appropriate planning and opportunity for last time purchases. ADVANCED Motion Controls will provide ongoing service and support for the installed base per the terms outlined below. All new orders will require a price quote from ADVANCED Motion Controls.

Discontinuation Details:

End-of-Life Announcement: July 1, 2010
Formal Contact to Customers: July 15, 2010
Last Time Buy orders*: September 30, 2010
Last Shipment: December 30, 2010
End of Service and Support: 6 years from date of product shipment

*It is ADVANCED Motion Controls policy that orders for products on End-of-Life status are non-cancelable and non-returnable.

Our intent is to work with you to meet your existing obligations and help in determining a long-term migration solution. Should you have questions, please do not hesitate to contact your ADVANCED Motion Controls Representative and they can assist you.

We thank you for your attention in this matter and for applying ADVANCED Motion Controls products in your application.

Regards,

Shane A. Beilke
