Telephone Number	

General Information

Application							
Quantity							
Maximum Size Ø	Maximum Length			Hollow Shaft Ø			
mm	mm			mm			
Ambient Temperature	Rotational Speed			Number of revolutions per			
°C	rpm			Hours/day	Days/year		
IP Rating		IP40		IP50		IP64	IP65
Mounting Position		Horizontal		Standing Flange Down			Standing Flange Up

Electrical Information

Signal transmission		PT100	Number of Channels:		Type:	
		J-Element	Number of Channels:		Type:	
		Analog	Number of Channels:		Type:	
		Other	Number of Channels:		Type:	
Data transmission		Ethernet	Number of Channels:		Type:	
		Fieldbus	Number of Channels:		Type:	
		Other	Number of Channels:		Type:	
Control Signals		Number of Channels:		Type: Voltage/Current		
Power Transmission		Number of Channels:		Voltage (V): Amperage (A):		

Type of Connection

Stator Terminal box housing		Terminal		Cable		Connector	Remarks
Rotor terminal box rotor		Terminal		Cable		Connector	

Media transmission

Pneumatic	Number of Channels:		Connection Size		Maximum pressure [bar]	
Hydraulic	Number of Channels:		Connection Size		Maximum pressure [bar]	
Other	Number of Channels:		Connection Size		Maximum pressure [bar]
